If you have additional artists engaged in your project, you will need to upload a separate checklist for each artist. **Please upload as one document below.** 

The purpose of the RADF Program is to support professional and emerging professional artists and artsworkers to practise excellent art for and with communities for mutual development.

This checklist has been developed to ensure that the status of artists as 'professional' and 'emerging professional' is clearly identified.

Your responses to the questions below determine your status as an artist in regard to the RADF Program.

You need to tick any **three** or more of the artistic merits below to qualify as an artist with a professional or emerging professional status. If you cannot select a minimum of **three** of the artistic merits, you do not meet the eligibility requirements as a professional or emerging artist who can be funded by the RADF program. In this case please contact your local RADF Officer to discuss alternative funding sources to support your arts activity/project.
